Edu 654 final term paper 17 feb 2018

1. Name two famous companies of technology these days

Apple

Google

2. Three companies that were famous when technology first came.
 1. Commodore (Canadian company)
 2. Apple (Steve Jobs Company)
 3. RadioShack (Tendi Corporation)

3. Why Collaborative learning us imp?

Collaborative learning plays an important part in e learning and peer interaction. Peer interaction means that if teacher gets feedback from the students and comes to know of any difficulty in student understanding then he can make groups and start peer interaction. Students will learn the concept better by discussion instead of listening the same thing by the teacher again

4. Two outcomes of learning in class?

The major thing in classroom learning is that teachers must think they are teaching a particular concept. why and how to teach it in classroom? These two factors are very important for a teacher because what a teacher wants to teach is the expertise he already has

5. 4C model

6. What was Faiz ahmed faiz pedagogy?

In 1938 there was no concept of technology in education. Faiz addresses the poor and those who do not have many facilities in their lives in his poetry.

In the interview of Faiz Ahmed Faiz, the revolutionary idea addressed is that teachers were the common resource at that time and it did not matter that the teacher belonged to a particular institution. A teacher

was the teacher of all students. All the students were also treated equally and the institutions that they belonged to didn't matter.

.

7. Describe how MAJLIS was use at the time of faiz ahmed faiz.

The discussion forums at that time were made when the teachers and students sat together for discussions. It was known as 'Majlis' in which the graduate students were given the level of former teachers. In 'Majlis' a student dictated his thinking and ideas to all members present there in a specific context that he had faced or suffered in life. All the students benefitted from the source presented and the presenter got instant feedback which is very necessary in learning. FAiz Ahmed Faiz also says that most of their study was not based on formal classroom setting, and students learnt mostly through the libraries or 'Majlis' discussions and discussions with senior teachers

8. 5 benifits of GBL

Get student attention

- Student get a positive experience about learning
- Rememorize concepts or facts
- Reinforce and consolidate knowledge in friendly environment

9. How collaboration can be achieved by online learning?

10. What is backward processing?

Thats all i remember
